#### 15. Multidisciplinary / interdisciplinary

Being an affiliated college, course structure and the contents (Course curriculum) are designed by the parent university, Osmania University, a reputed state university, which started implementing the Multidisciplinary/interdisciplinary approach from the year 2020-21 by introducing open/generic electives in the course curriculum. In lines with the University and to provide multidisciplinary education to the students in alignment with the objectives of National Education Policy 2020, Interdisciplinary/multi-disciplinary curriculum is being implemented at Aurora's Post Graduate College by offering Add-on courses, with a freedom to the students to choose their preferred options from the range of programs offered by the institute. Classes for Add-on courses are being conducted on-line/off-line beyond the scheduled classwork with utmost flexibility and convenience to the students. Institute is carving out the way further for more fruitful implementation of multidisciplinary and interdisciplinary education which will definitely enable the students to develop the skills required in 21st century.

#### 16.Academic bank of credits (ABC):

The institution is following the guidelines of the NEP2020 and conducted many orientation programs to the faculty and students by inviting the Experts involved in the framework of NEP 2020. The Chairman of the Governing Body, Prof S Jeelani, being a former UGC Member, emphasised on the need to get associated with Academic Bank of credits. The students are provided with all the information required to register their accounts with the Digi Locker facility of the National Academic Depository and the faculty are provided with necessary training to assist and guide the students towards opening and managing their accounts with Academic Bank of Credits. Regular workshops are organised by the institution to propagate the concept of Academic Bank of Credits to the newly joining students and the registrations into ABC are continuing. Till now, more than 700 students opened their account with the Digi Locker facility of NAD.

#### 17.Skill development:

Aurora's Post Graduate College, with a massive frame, organises events and programmes to foster a sense of teamwork, inventiveness, inquisitiveness, reliability, assertiveness, and

sympathy in faculty and students. All of this lays a strong foundation for future academic and career success. The IQAC, in association with other departments, has conducted FDPs to upgrade the knowledge of the faculty and develop the skills necessary to perform various academic and allied activities more effectively. The institution has Memorandum of Association with 12 Industries and the experts from these industries regularly visit the institutions and conduct various skill development programs to the benefit of the students. National Skill Development Corporation (NSDC) conducted a 60 hour training program for the students towards increasing their employability. ExcelR a reputed training organisation has conducted skill development programs on Advanced Excel, Full Stack Development, Data Analytics using Power BI, Digital Marketing and Cloud fundamentals students of the institution through 30 hours of hands-on training sessions. The faculty members are also encouraged to participate in various programs and enhance their skills. They have participated in the training programs of NTTTR Chennai, AICTE New Delhi and acquired many certifications offered by NPTEL, Ministry of Education, Government of India. Thus skill development is a constant endeavour for student and faculty development at Aurora.

## 18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The institution emphasises on imparting knowledge to the students in Indian Languages whenever possible. There are language courses imparted as add on and certifications in Hindi, Sanskrit, Arabic and Urdu. Language oriented celebration of events like National Mother Language Day, International Mother Language day etc are celebrated in the campus where the students are encouraged to perform skits, dances, cultural acts and other programs in Indian Languages are highly encouraged. Students and faculty are also encouraged to pursue courses in Indian Languages through NPTEL and Swayam portals.

#### 19. Focus on Outcome based education (OBE): Focus on Outcome based education (OBE):

The institution has been following the concept of Outcome Based Education(OBE) in all the programs offered. The Program Objectives, Outcomes, Course Objectives and Outcomes are developed for each of the program and the course well in advance before commencement of the Academic Year. The Program Outcomes, Course Outcomes are published in the Website of the Institution and communicated to the students in the form of a well designed Academic manual. The curriculum delivery plan is mapped with the

Page 18/136 07-10-2023 11:27:51

attainment of course objectives, program objectives and through pre defined outcomes that are measured by direct and indirect assessment methods. Methods like faculty survey, stakeholder survey, employer survey are incorporated before designing the outcomes and measuring the performance of the students in the concerned courses. Students transition from one semester to another semester are measured with outcomes and necessary remedial coaching and support services are extended for the improved performance of students. Outcomes for co-curricular and extracurricular activities are also identified and communicated to the students and their performance in these activities is also measured. All the assessments are integrated with Bloom's Taxonomy Levels of learning with due intimation to the students and faculty for making the Learning outcomes attainable.

#### 20.Distance education/online education:

The institution is not permitted to offer any programs in Distance Mode by the affiliating university and the statutory bodies. However, the college conducts various add on, training and certification programs in online mode for the benefit of the students.

#### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

## 1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

#### Curriculum Planning

The institute's College Level Academic Committee as well as a Department Level Academic Committee righteously develops action plans and monitors effective implementation of the curriculum. The planning is done well before the commencement of the semester in the following pattern

- Preparation of academic calendar with reference to university Almanac.
- Allocation of workload by considering subject preferences of the faculty, faculty profile and their subject options.
- Designing a Teaching Learning Process appropriate(TLP) for each semester program wise by integrating various methods of TLP like conventional teaching, Interactive Teaching Learning (ITL), Experiential Learning and Supplementary Teaching Learning Methods.
- Devising subject wise Course files, Session Plans including Modules, sub modules and interactive teaching learning activity schedule consisting allocation of sessions for all the methods of TLP. Preparation of schedules for the conduct of internal examinations and student assignments as per the University Almanac.
- Preparation of time table considering the lecture sessions and interactive teaching learning (ITL) activities allotted for each subject.

## 1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institution is having a well constituted Examination cell with members from Management Department and senior faculty to look after various functions of the cell and also to ensure conduct of examinations from time to time without deviation from the schedule of academic calendar. Further, the evaluation system of the

institution aims to capture the attainment of program outcomes and program specific outcomes. The students' performance for each of the ITL activity will be appraised using bloom's taxonomy. The marks are registered in the evaluation sheet which contains points for parameters like subject knowledge, cognitive skills, attitude, creativity, presentation skills, communication skills, time management, and body language. These scores will be added to the assignments score and an average of these two will be considered for final award of 5 marks in each course. These will be added to the internal average of 15 marks and final summation of 20 marks will be forwarded to the university. Project work, mini-projects, surveys, paper presentations, publication of articles is made a part of continuous evaluation of students. Result analysis of external examinations is prepared and follow-up actions are taken to improve the performance of students in future.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students with various family backgrounds, educational backgrounds and regional differences take admissions into the institution as their level of knowledge and understanding differs the institution

makes efforts to identify and initiate programs for students with different learning levels.

There is a mechanism to handle advanced and slow learners in different ways. Firstly, to identify the learning capacity of students a diagnostic test will be conducted within three weeks of completion of admissions. This test consists of English Language test, arithmetic and reasoning. Through the performance evaluation in the test, students are identified as following:

Students scoring greater than 70% are recognized as advanced learners and are provided with more learning opportunities like access to various institutional repositories, book banks, and registration to online courses etc. They are encouraged to participate in workshops, seminars, conferences within and out of the institution to showcase their talents. Advanced learners have scope to experiment and go beyond the course.

#### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Page 30/136 07-10-2023 11:27:51

Internal assessments are conducted as per the Osmania University examination pattern for MBA and MCA courses and accordingly every semester, one assignment will be given and two internal examinations will be conducted for the students. The College Academic Committee designs and monitors the internal assessment system. Twenty marks are allotted for the internal assessments which will be added to the final scores of the program to complete the award of marks.

The Examination cell plans, organizes and monitors the activities related to the conduct of examinations in the institution. At the beginning of the semester, the Examination cell prepares examination schedule and students are given subject wise question bank and Academic Manuals containing university almanac, syllabus and session plans and accordingly syllabus will be completed and question papers will be set.

The question papers are prepared with the approval of the HODs and Academic Committee. The question papers are set in a way to test the student's subject knowledge and application of concepts, so that they become a means to test the achievement of course outcomes. The institution aims to assure transparency by following under mentioned practices:

## 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The institution is having a well-defined process to address the grievances related to examinations and evaluation either internal or end semester. All grievances regarding evaluation and posting of marks including the internal assessment marks awarded for the students, external exams and Lab exams are redressed by the Academic Committees and Examination cell.

• Institution has a well structured grievance redressal cell chaired by Principal along with representatives from the

- Academic Committees and Examination Cell Members, wherein all issues related to evaluation can be discussed.
- The student, who is willing to launch any complaint, shall send his/her a written application for redressal of grievance to the Grievances Redressal Committee. The concerned authority will acknowledge receipt of the complaint and initiate the Redressal process within two working days. A student has the right to appeal in case he/she is not satisfied with the marks given in the internal assessment test.
- The student can seek clarification from the teacher concerned. If not satisfied, the student may appeal through proper channel.

#### 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The three principal on which institutional mission is based are: Effective Teaching, Meaningful Research, and Service to society. These goals intended to be achieved through a set of The Program Outcomes (PO), Program Specific Outcomes (PSO) and Course Outcomes (CO).

The status of PO's, PSO's, CO's is reviewed by the Academic Committee regularly. At the beginning of the course, in the orientation sessions the students are informed about the PO's and PSO's for the programs. They are provided with insights into the course outcomes and the measurement methods of the same.

The institution seeks to achieve PO's, PSO's by giving training for the students in communication skills, soft skills, aptitude skills, analytical skills, technical skills and personality development programs by using the in-house faculty and external experts. Team based projects and practice of ethics during the

course of study develops a sense of social responsibility.

#### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Program outcome (PO) -based education system is one of the emerging trends of education which helps students to progress in their professional career and makes teachers more creative about their teaching methodologies and improves the quality of teaching by adopting suitable teaching tools. The aim here is for overall development of students.

The academic committee designs an appropriate Teaching Learning Process and identified the need for enhancing the Communication Skills, Reasoning Skills, Behavioral patterns and Etiquette skills, Organizing and Managing abilities, Practical Exposure, Team Building, and Holistic Personality Development to achieve program outcomes

The attainment of POs is assessed in the following aspects:

- Upon successful completion of post graduate program, students will be able to Communicate clearly and concisely
- Acquire, analyze, and synthesize data for operational and strategic decision-making
- Recommend ethical behaviors, promote corporate social responsibility, and engage in social enterprise
- To assess and review awareness level on core management issues and latest developments in management and information technology

The national festivals in our country are cherished as auspicious days and are celebrated with great enthusiasm. Republic Day, Independence Day and Gandhi Jayanti are celebrated as National festivals and our Institute observes these events with flaghoisting ceremonies, parades and cultural events. Thoughts of great Indian personalities are sowed into the young minds through the exhibitions and programs conducted on these days. Every year institution observes the birth / death anniversaries of the great Indian personalities. Such programs will raise awareness among the new generation and inspire them to contribute to the nation and society. Gandhi Jayanti is marked by prayer services and tributes highlighting Gandhi's effort in theIndian independence movement and encouraging the student community to lead a non-violent way of life.

As an endeavor to solidify the bond of oneness and unification, the Birth Anniversary of Sardar Vallabhai Patel on 31st October as Rashtriya Ekta Diwas (National Unity Day) is celebrated. Rallies and Runs are organized to demonstrate the need for Unity in the country.

National Integration Day is observed on Novmber 19th of every year as a tribute to the first Women Prime Minister of India, Mrs Indira Gandhi.

# 7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Universal values are the virtues that guide us to take into account human element when one interacts with another human being. They are our feelings for the human essence of others. It is both what we expect others to do to us and what we aim to give to other human beings. These human values give the effect of bonding, comforting and reassuring. Aurora conducts various activities to promote these human values - Truth, Righteous conduct, Love, Non-violence & peace. The activities included Non-violence day, International Peace Day and Anti-corruption.

Auroras PG College is also committed to National values - beliefs about what is good, desirable and useful, or what is undesirable and unacceptable in a particular state and society. It has conducted several activities to instill sense of national values like freedom and peace, justice, security and democracy. The activities included Human rights day,

National Integration campaigns attempts to establish the ideal of "unity in diversity" across the categories of ethnicity, language and religion, as well as through national symbols, historical monuments, and geographical locations. # 7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Republic Day, Independence Day and Gandhi Jayanti are celebrated as National festivals and our Institute observes these events with flag-hoisting ceremonies, parades and cultural events. Thoughts of great Indian personalities are sowed into the young minds through exhibitions and programs conducted on these days.

Every year institution observes the birth / death anniversaries of the great Indian personalities. Such programs will raise awareness among the new generation and inspire them to contribute to the nation and society.

Gandhi Jayanti is marked by prayer services and tributes highlighting Gandhi's effort in the Indian independence movement and encouraging the student community to lead a non-violent way of life.

As an endeavor to solidify the bond of oneness and unification,

the Birth Anniversary of Sardar Vallabhai Patel on 31st October as Rashtriya Ekta Diwas (National Unity Day) is celebrated. Rallies and Runs are organized to demonstrate the need for Unity in the country.

National Integration Day is observed on Novmber 19th of every year as a tribute to the first Women Prime Minister of India, Mrs Indira Gandhi.

Babu Jagjivan Ram's birthday is observed on 5th April, in commemoration of his commitment towards development of downward classes.

### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Title: National Intellectual Property Awareness Mission (NIPAM) - Promoting Intellectual Property Awareness and Innovation

Context: The launch of the National Intellectual Property
Awareness Mission (NIPAM) by the Government's "Azadika Amrit
Mahotsav" highlighted the critical need for promoting intellectual
property rights (IPR) awareness among students. In response to
this nationwide initiative, Aurora PG College Ramanthpur
recognized the importance of fostering a culture of innovation and
creativity on its campus. The IPR Cell at Aurora College initiated
practices to create awareness about IPR and its significance in
protecting intellectual creations and inspiring students to become
job creators through innovation.

Objectives:

• Provide awareness about intellectual property rights to 1 million students across India.

Title: AICTE-Student Learning Assessment (PARAKH) - Fostering Skill Development and Global Competitiveness

Context: The AICTE-Student Learning Assessment (PARAKH) project aims to evaluate the technical knowledge, creativity, and cognitive skills of undergraduate and postgraduate students across India. The institution's participation in this large-scale program is motivated by its commitment to improving student outcomes and bridging the gap between academia and industry.

### Objectives:

• Evaluate and compare the skills of students at Aurora's PG College with their peers across the country.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Institution ensures high standards of excellence in Management and Computer Education. The college follows unique methodologies of Teaching Learning and student development. Curriculum Analysis is done before the beginning of each semester to identify the gap between the curriculum and the industry needs for employing graduates.

To achieve its vision the institution has gradually shifted from traditional method of teaching to student centric method. There are well defined guidelines for every activity organized in the campus. In addition to the regular class teaching, the college has introduced Interactive Teaching Learning Methodology through Case

studies, Group discussions, Debates, Student Seminars, Role-plays and Quizzes. Students are provided with a comprehensive Academic Manual in the form of Student Hand Book for every semester of instruction that contains Academic calendar, detailed session plans for all the courses along with student activity schedules for ITL. The College also lays adequate emphasis on academics with a strong foothold in extra-curricular and co-curricular activities such as Extension Lectures, Management Meets, IT Meets, Industry Analysis, Case Discussions, Personality Development Sessions, CRT Programs, Celebration of Festivals, Annual Days, etc., for the all-round grooming of the students.

### **CURRICULAR ASPECTS**

### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

### Curriculum Planning

The institute's College Level Academic Committee as well as a Department Level Academic Committee righteously develops action plans and monitors effective implementation of the curriculum. The planning is done well before the commencement of the semester in the following pattern

- Preparation of academic calendar with reference to university Almanac.
- Allocation of workload by considering subject preferences of the faculty, faculty profile and their subject options.
- Designing a Teaching Learning Process appropriate(TLP) for each semester program wise by integrating various methods of TLP like conventional teaching, Interactive Teaching Learning (ITL), Experiential Learning and Supplementary Teaching Learning Methods.
- Devising subject wise Course files, Session Plans including Modules, sub modules and interactive teaching learning activity schedule consisting allocation of sessions for all the methods of TLP. Preparation of schedules for the conduct of internal examinations and student assignments as per the University Almanac.
- Preparation of time table considering the lecture sessions and interactive teaching learning (ITL) activities allotted for each subject.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

The institution is having a well constituted Examination cell with members from Management Department and senior faculty to look after various functions of the cell and also to ensure conduct of examinations from time to time without deviation from the schedule of academic calendar. Further, the evaluation system of the institution aims to capture the attainment of program outcomes and program specific outcomes. The students' performance for each of the ITL activity will be appraised using bloom's taxonomy. The marks are registered in the evaluation sheet which contains points for parameters like subject knowledge, cognitive skills, attitude, creativity, presentation skills, communication skills, time management, and body language. These scores will be added to the assignments score and an average of these two will be considered for final award of 5 marks in each course. These will be added to the internal average of 15 marks and final summation of 20 marks will be forwarded to the university. Project work, miniprojects, surveys, paper presentations, publication of articles is made a part of continuous evaluation of students. Result analysis of external examinations is prepared and follow-up actions are taken to improve the performance of students in future.

### 2.2 - Catering to Student Diversity

# 2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students with various family backgrounds, educational backgrounds and regional differences take admissions into the institution as their level of knowledge and understanding differs the institution makes efforts to identify and initiate programs for students with different learning levels.

There is a mechanism to handle advanced and slow learners in different ways. Firstly, to identify the learning capacity of students a diagnostic test will be conducted within three weeks of completion of admissions. This test consists of English Language test, arithmetic and reasoning. Through the performance evaluation in the test, students are identified as following:

Students scoring greater than 70% are recognized as advanced learners and are provided with more learning opportunities like access to various institutional repositories, book banks, and registration to online courses etc. They are encouraged to participate in workshops, seminars, conferences within and out of the institution to showcase their talents. Advanced learners have scope to experiment and go beyond the course.

# 2.3 - Teaching-Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

The Institution constantly looks for opportunities to integrate teaching with real life exposure for enriching and effective operationalisation of the curriculum. At the beginning of every semester, a comprehensive instructional design is prepared in the institution program wise. The instructional design is a comprehensive module of conventional teaching, Interactive Teaching Learning, Experiential Learning and Supplementary learning modules.

Experiential learning activities are designed to enhance the learning abilities of the students with practical application of the concepts. As a part of experiential learning the institution offers summer internships, mini projects and major projects to the students.

The Project Review Committee (PRC) of the institution plans organizes and monitors the progress of students' internships and projects. This committee guides the students on summer internships and project work.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in maximum of 200 words

Teaching-learning is a continuous process and being in tune with recent developments helps both the teachers and students to sharpen their skills. Consistent and conscious efforts are undertaken to inculcate the spirit of scientific inquiry that would lead to innovations. Before the commencement of every academic year, the College Academic Committee analyzes the significance of making students more employable by studying the survey reports on employability skills of management and computer applications graduates. The gaps identified in the curriculum will be bridged with the modules of contents beyond syllabus with any of the Bridge Courses, Adjunct work and Certification Courses like TALLY, SPSS, and Short Term courses which includes ORACLE, EDP Courses and Additional Modules like UGC, NET, and GMAT.

The institution adopts blended bloom's taxonomy towards this end. The syllabus and mode of offering these courses will be designed at the beginning of the semester.

After identification of the courses, the committee designs a comprehensive Instructional Design by integrating Conventional Teaching Methods with Interactive Teaching Learning (ITL) Methods, Experiential Learning Methods, Problem-solving methods and Supplementary Teaching Learning Process to impart holistic education.

### 2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessments are conducted as per the Osmania University examination pattern for MBA and MCA courses and accordingly every semester, one assignment will be given and two internal examinations will be conducted for the students. The College Academic Committee designs and monitors the internal assessment system. Twenty marks are allotted for the internal assessments which will be added to the final scores of the program to complete the award of marks.

The Examination cell plans, organizes and monitors the activities related to the conduct of examinations in the institution. At the beginning of the semester, the Examination cell prepares examination schedule and students are given subject wise question bank and Academic Manuals containing university almanac, syllabus and session plans and accordingly syllabus will be completed and question papers will be set.

The question papers are prepared with the approval of the HODs and Academic Committee. The question papers are set in a way to test the student's subject knowledge and application of concepts, so that they become a means to test the achievement of course outcomes. The institution aims to assure transparency by following under mentioned practices:

# 2.5.2 - Mechanism to deal with internal examination related grievances is transparent, timebound and efficient

The institution is having a well-defined process to address the grievances related to examinations and evaluation either internal or end semester. All grievances regarding evaluation and posting of marks including the internal assessment marks awarded for the students, external exams and Lab exams are redressed by the Academic Committees and Examination cell.

- Institution has a well structured grievance redressal cell chaired by Principal along with representatives from the Academic Committees and Examination Cell Members, wherein all issues related to evaluation can be discussed.
- The student, who is willing to launch any complaint, shall send his/her a written application for redressal of grievance to the Grievances Redressal Committee. The concerned authority will acknowledge receipt of the complaint and initiate the Redressal process within two working days. A student has the right to appeal in case he/she is not satisfied with the marks given in the internal assessment test.
- The student can seek clarification from the teacher concerned. If not satisfied, the student may appeal through proper channel.

# 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are

Page 89/136 07-10-2023 11:27:52

stated and displayed on website and communicated to teachers and students.

The three principal on which institutional mission is based are: Effective Teaching, Meaningful Research, and Service to society. These goals intended to be achieved through a set of The Program Outcomes (PO), Program Specific Outcomes (PSO) and Course Outcomes (CO).

The status of PO's, PSO's, CO's is reviewed by the Academic Committee regularly. At the beginning of the course, in the orientation sessions the students are informed about the PO's and PSO's for the programs. They are provided with insights into the course outcomes and the measurement methods of the same.

The institution seeks to achieve PO's, PSO's by giving training for the students in communication skills, soft skills, aptitude skills, analytical skills, technical skills and personality development programs by using the in-house faculty and external experts. Team based projects and practice of ethics during the course of study develops a sense of social responsibility.

# 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The Program outcome (PO) -based education system is one of the emerging trends of education which helps students to progress in their professional career and makes teachers more creative about their teaching methodologies and improves the quality of teaching by adopting suitable teaching tools. The aim here is for overall development of students.

The academic committee designs an appropriate Teaching Learning Process and identified the need for enhancing the Communication Skills, Reasoning Skills, Behavioral patterns and Etiquette skills, Organizing and Managing abilities, Practical Exposure, Team Building, and Holistic Personality Development to achieve program outcomes

The attainment of POs is assessed in the following aspects:

- Upon successful completion of post graduate program, students will be able to Communicate clearly and concisely
- Acquire, analyze, and synthesize data for operational and strategic decision-making
- Recommend ethical behaviors, promote corporate social responsibility, and engage in social enterprise
- To assess and review awareness level on core management issues and latest developments in management and information technology

### 3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The college maintains a cordial symbiosis relationship with the neighborhood communities and the local administration, by which

the student and local community are mutually benefited. The institution plans and organizes its extension and outreach programs through the National Service Scheme (NSS) Cell and Unnat Bharat Abhiyan Cell. Extension activities are planned by NSS Unit and Unnat Bharat Abhiyan Cell.

National Service Scheme (NSS) Cell:

To create social awareness among the students, the NSS cell organizes the programs such as Awareness on Cleanliness, Environment, Bio Fuel, Personal Health (sensitization camps on perennial and seasonal viral diseases - gynic, cancer, swineflue, dengue etc.,), Plantation on Saplings, Blood donation camps, Socio Demographic survey for slums by GHMC, Rally on Anti Corruption, Sensitization of street children, Rally on Anti Terrorism

The National Service scheme (NSS) of the institution organizes extension activities by organizing special camps. Many of the activities which are organized under this programme receive sustained interest and activity on the part of faculty and students which ensures student participation in community activities. The institution promotes the participation of student and faculty in extension activities through organizing social awareness campaigns in association with N.S.S.

### 6.3.5 - Institutions Performance Appraisal System for teaching and non-teaching staff

This institute is an amalgamation of employees classified into teaching and non-teaching from one side and the students on the other who are heterogeneous in character. The performance of the teaching faculty and non-teaching staff is measured separately using different techniques. The methodology of performance appraisal of teaching and non-teaching staff is;

### 1. Self - Appraisal

Self-appraisal is one of the critical components of the appraisal mechanism/ system. This is aimed at giving an opportunity to the faculty for getting into a reflective mood and this process is aimed at self- development of the individual faculty member.

### 1. Review & Feedback from the Peers

This part of performance appraisal essentially focuses on dimensions such as interpersonal relations; teamwork; collegiality. The colleagues will rate each other on a 10 point scale on these dimensions.

### 1. Review & Feedback from the Immediate Superior (HOD)

This aimed at getting an understanding of the faculty's attitude towards task accomplishment, responsiveness,

interpersonal relations, speed/ agility. The immediate superior will rate the faculty on these dimensions on a 10 point scale.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

The national festivals in our country are cherished as auspicious days and are celebrated with great enthusiasm. Republic Day, Independence Day and Gandhi Jayanti are celebrated as National festivals and our Institute observes these events with flag-hoisting ceremonies, parades and cultural events. Thoughts of great Indian personalities are sowed into the young minds through the exhibitions and programs conducted on these days. Every year institution observes the birth / death anniversaries of the great Indian personalities. Such programs will raise awareness among the new generation and inspire them to contribute to the nation and society. Gandhi Jayanti is marked by prayer services and tributes highlighting Gandhi's effort in theIndian independence movement and encouraging the student community to lead a non-violent way of life.

As an endeavor to solidify the bond of oneness and unification,

the Birth Anniversary of Sardar Vallabhai Patel on 31st October as Rashtriya Ekta Diwas (National Unity Day) is celebrated. Rallies and Runs are organized to demonstrate the need for Unity in the country.

National Integration Day is observed on Novmber 19th of every year as a tribute to the first Women Prime Minister of India, Mrs Indira Gandhi.

### 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Title: National Intellectual Property Awareness Mission (NIPAM) - Promoting Intellectual Property Awareness and Innovation

Context: The launch of the National Intellectual Property
Awareness Mission (NIPAM) by the Government's "Azadika Amrit
Mahotsav" highlighted the critical need for promoting
intellectual property rights (IPR) awareness among students. In
response to this nationwide initiative, Aurora PG College
Ramanthpur recognized the importance of fostering a culture of
innovation and creativity on its campus. The IPR Cell at Aurora
College initiated practices to create awareness about IPR and
its significance in protecting intellectual creations and
inspiring students to become job creators through innovation.

### Objectives:

• Provide awareness about intellectual property rights to 1 million students across India.

Title: AICTE-Student Learning Assessment (PARAKH) - Fostering Skill Development and Global Competitiveness

Context: The AICTE-Student Learning Assessment (PARAKH) project aims to evaluate the technical knowledge, creativity, and cognitive skills of undergraduate and postgraduate students across India. The institution's participation in this large-scale program is motivated by its commitment to improving student outcomes and bridging the gap between academia and industry.

### Objectives:

• Evaluate and compare the skills of students at Aurora's PG College with their peers across the country.

### 7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

The Institution ensures high standards of excellence in Management and Computer Education. The college follows unique methodologies of Teaching Learning and student development. Curriculum Analysis is done before the beginning of each semester to identify the gap between the curriculum and the industry needs for employing graduates.

To achieve its vision the institution has gradually shifted from traditional method of teaching to student centric method. There are well defined guidelines for every activity organized in the campus. In addition to the regular class teaching, the college has introduced Interactive Teaching Learning Methodology through Case studies, Group discussions, Debates, Student Seminars, Role-plays and Quizzes. Students are provided with a comprehensive Academic Manual in the form of Student Hand Book for every semester of instruction that contains Academic calendar, detailed session plans for all the courses along with student activity schedules for ITL. The College also lays adequate emphasis on academics with a strong foothold in extra-curricular and co-curricular activities such as Extension Lectures, Management Meets, IT Meets, Industry Analysis, Case Discussions, Personality Development Sessions, CRT Programs, Celebration of Festivals, Annual Days, etc., for the all-round grooming of the students.
