| <b>11. Whether IQAC received funding from any of the funding agency to support its activities during the year?</b>   | Yes                       |
| If yes, mention the amount   | 350000                    |
| Year   | 2019                      |
| <b>12. Significant contributions made by IQAC during the current year(maximum five bullets)</b>  |                           |
| <p>Student Academic Manual is prepared before the commencement of the semester and uploaded in the ERP System of the Institution. 16 certificate/training programs and 26 value added courses were conducted to impart transferable life skills among the students. Distinct methods of teaching and learning were practiced consisting of conventional teaching, interactive teaching learning method, experiential learning, supplementary teaching and contents beyond syllabus. To evaluate the learning levels of the students and help them to attain the specific program outcomes and course outcomes evaluation reforms with Blended Bloom's Taxonomy were adopted. Center of Excellence is established in association with Henotic Technologies to provide courses on modern trends in the areas of Management and Computer Applications. Established Intellectual Property Rights (IPR) Cell to create awareness and promote research among the faculty and students. To promote special knowledge on entrepreneurship development among the students Incubation Cell was also established. As a participating institute of Unnat Bharat Abhiyan the institution has received funding from MHRD. As a part of UBA a survey was conducted in the adopted villages to identify the deficiency on the availability of basic facilities by the villagers. The institute has organized 32 extension activities to provide assistance to the needy. Augmented Infrastructural facilities in the form of additional lab, updated MISGibbon, additional Internet Band Width and providing sports facilities. Administrative and Academic audit is conducted at both departmental and institutional level. Institution has organized 60 hours of Campus Recruitment Training Program with modules in Verbal Ability, Arithmetic ability, Reasoning, Aptitude and personality development as a part of pre placement training sessions to meet the manpower requirements of the Industry. In addition to it 34 guest lectures were also organized by the institution to enhance creativity, analytical, technical, interpersonal skills and employability skills among the students. Green Audit was conducted in the campus for environmental conservation and sustainability to create a healthy environment for the students. One week orientation program for newly joined students as per the guidelines of AICTE was conducted in the year 2018. Village Survey has been conducted in adopted villages as a participating institution of Unnat Bharat Abhiyan. The college has constructed a compost pit of 2 m x 1.5 m inside the campus to capture and compost food generated from the college cafeteria and also the organic waste from the garden such as leaves and grass clippings.</p> |                           |

| <b>17. Does the Institution have Management Information System ?</b>   | Yes   |                        |              |                    |             |
| If yes, give a brief description and a list of modules currently operational (maximum 500 words)   | The Institution uses updated MIS Gibbon - Open source software. Gibbon as a Management Information system helps in conversion of data into management information while making decisions within the institution. The Institution gathers and maintains the data related to students, learning, and assessment |                        |              |                    |             |

by using MIS. The present MIS Gibbon used by the institution consists of a set of core modules which provides various facilitates for better functioning of the Institution. This core functionality can be extended through the use of additional modules.

Module 1: Admin The Institution uses this module to manage the complete database by using various sub modules which include college admin, system admin, user admin and timetable admin. College Admin is used to maintain the data related to the Institution System Admin helps the institute in Control system settings, modules and system updates User Admin helps the institution maintains the data relating to student enrolment Timetable Admin used to input timetable data of the Departments where the faculty and students can know about the daily time table of class work.

Module 2: Learn This module is useful for the institution to plan academic sessions and share them with students and parents. The session plans which are incorporated into units are automatically made available through Departments. Through this module the Institution provides the students with sub modules like Functioning of Departments, Resources available, lecture notes in the form PPTs, availability of Library resources which include text books, journals etc.

Module 3: People All the activities related to stakeholders of the institution including students, staff and parents are made available by the institute through this module. This includes Guest Lectures organized, Placement data, MOUs entered, Extension activities conducted etc.

Module 4: Assess This module comprises of the data related to assessment of students and faculty. This module of Assess is used by the institute to analyze the performance results of the students. This is done through the students' assessment of Internal and External Evaluation Marks, Assignment Marks, ITL marks, Project Seminar marks Rubrics are made available in MIS. The students' attendance track will be provided from time to time. The analysis of feedback given by the students for assessing faculty is also

generated through this software. The track of faculty and non teaching staff is also maintained through this module. Here the data related to attendance, payrolls and leaves status of the teaching and non teaching staff members will be provided.

## Part B

### **CRITERION I – CURRICULAR ASPECTS**

#### **1.1 – Curriculum Planning and Implementation**

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Institute is affiliated to Osmania University which offers courses semester wise with CBCS pattern. The Institute follows and implements the curriculum in line with the Almanac of the University. Curriculum Planning The Institute is having College Level Academic Committee and Department Level Academic Committee which plans and monitors effective implementation of the curriculum. The planning is done well in advance of the commencement of the semester through • Preparation of Academic calendar in tune with University Almanac. • Taking Subject preferences, work load allocation is done by considering faculty profile and their subject options. • Appropriate Teaching Learning Process (TLP) is designed by integrating various methods like conventional teaching, Interactive Teaching Learning (ITL), Experiential Learning and Supplementary Teaching Learning Methods. • Subject wise Course files, Session Plans including Modules, sub modules and ITL activity schedules are devised, consisting of sessions for all methods of TLP. • Preparing schedules for conducting internal examinations as per the University Almanac. • Scheduling time table including lecture sessions, (ITL) modules for each subject. • Designing tutorials for weak students in certain subjects by giving individual attention to improve the students in the respective subject. • Designing Remedial classes to reinforce learning and practice, applying new knowledge by the students. • Designing comprehensive student academic manual in the form of student hand book for each semester program wise. • Getting approval of the Academic manuals from Academic committees and distributing the same to all the students. • Academic Manuals are uploaded in ERP system of the Institute for easy accessibility of the faculty and students. Curriculum Implementation Head of the Departments (HoD's) conduct meetings to discuss about Academic calendar, Time table, confirmation of Academic Manuals and implementation of curriculum through pre designed TLP which is implemented in the following way: • Conducted lecture sessions every day as per the time table. • Monitored the progress of the lecture sessions through student attendance registers, teaching dairies. • Deviations in curriculum plan implementation are monitored by collecting weekly status reports for each course and program. • ITL Activities are implemented by dividing the class of 60 students into 20 learning groups with 3 members in each group. ITL implementation is monitored through course wise evaluation sheets to register the students' performance on various predetermined parameters. • To improve the weak students tutorials are arranged in certain specific subjects. • Monitoring the impact of remedial classes through regular review and practice exercises to identify the new knowledge gained by the weak students. • Progress of the curriculum plan is monitoring through regular meetings by HoDs and by collecting the status reports from the faculty for every course. • Monthly reports are submitted by the Department Academic Committee to the College Academic Committee. • Deviations from the timely implementation are checked through verification of status reports and if

required additional hours of instruction will be scheduled to ensure the Curriculum implementation on time.

1.1.2 – Certificate/ Diploma Courses introduced during the academic year

| Certificate                                | Diploma Courses | Dates of Introduction | Duration | Focus on employ ability/entrepreneurship | Skill Development |
|--|-----------------|-----------------------|----------|--|-------------------|
| Certificate program on SPSS                | Nil             | 01/08/2018            | 18       | No                                       | Yes               |
| Certificate program on r- language         | Nil             | 01/08/2018            | 16       | Yes                                      | Yes               |
| Training program for Google Analytics      | Nil             | 07/08/2018            | 18       | Yes                                      | Yes               |
| Certificate program on Digital Marketing   | Nil             | 08/08/2018            | 16       | Yes                                      | Yes               |
| Bridge course on Economics                 | Nil             | 05/09/2018            | 16       | No                                       | Yes               |
| Bridge course on Accounting Principles     | Nil             | 05/09/2018            | 16       | No                                       | Yes               |
| Bridge course on C- Language               | Nil             | 05/09/2018            | 16       | No                                       | Yes               |

## 1.2 – Academic Flexibility

1.2.1 – New programmes/courses introduced during the academic year

| Programme/Course  | Programme Specialization | Dates of Introduction |
|-------------------|--------------------------|-----------------------|
| MBA               | Nil                      | 23/07/2018            |
| MCA               | Nil                      | 23/07/2018            |
| No file uploaded. |                          |                       |

1.2.2 – Programmes in which Choice Based Credit System (CBCS)/Elective course system implemented at the affiliated Colleges (if applicable) during the academic year.

| Name of programmes adopting CBCS | Programme Specialization | Date of implementation of CBCS/Elective Course System |
|----------------------------------|--------------------------|---|
| MBA                              | Management               | 23/07/2018  |
| MCA                              | Computer Science         | 23/07/2018  |

1.2.3 – Students enrolled in Certificate/ Diploma Courses introduced during the year

|                    | Certificate | Diploma Course |
|--------------------|-------------|----------------|
| Number of Students | 564         | Nil            |

## 1.3 – Curriculum Enrichment

1.3.1 – Value-added courses imparting transferable and life skills offered during the year

| Value Added Courses     | Date of Introduction | Number of Students Enrolled |
|-------------------------|----------------------|-----------------------------|
| Personality Development | 02/07/2018           | 82                          |
| Communication Skills    | 09/07/2018           | 144                         |
| Stress Management       | 09/07/2018           | 84                          |
| Yoga                    | 09/07/2018           | 90                          |
| Leadership Skills       | 16/07/2018           | 122                         |
| Eco-Friendly Skills     | 01/08/2018           | 73                          |
| Problem Solving         | 01/08/2018           | 137                         |
| Soft Skills             | 27/08/2018           | 136                         |
| Positive Attitude       | 09/09/2018           | 141                         |
| Problem Solving         | 17/09/2018           | 132                         |

### 1.3.2 – Field Projects / Internships under taken during the year

| Project/Programme Title   | Programme Specialization | No. of students enrolled for Field Projects / Internships |
|---------------------------|--------------------------|---|
| MBA                       | Finance                  | 394   |
| MBA                       | Marketing                | 54  |
| MBA                       | HR                       | 91  |
| MCA                       | Computer Science         | 195   |
| <a href="#">View File</a> |                          |   |

### 1.4 – Feedback System

#### 1.4.1 – Whether structured feedback received from all the stakeholders.

|           |     |
|-----------|-----|
| Students  | Yes |
| Teachers  | Yes |
| Employers | Yes |
| Alumni    | Yes |
| Parents   | Yes |

#### 1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

##### Feedback Obtained

Quality in higher education is essential for the success of any Institution especially in case of institutions offering Management education. Achieving Academic excellence is a continuous and relentless process for any Institution. Towards achieving this Institution follows a formal feedback mechanism to enrich the curriculum. The feedback on curriculum is obtained from different stakeholders like students, faculty, alumni, parents and employers regularly. It includes: Feedback from Students which focuses on aspects of attaining full potential in delivering the courses with relevant practical examples, laboratory sessions, enhancement of teaching methods through visual displays, providing additional inputs in specialization, extension of library timings after college hours, arranging more industrial visits. Feedback from Faculty emphasizes on the syllabus of the course and availability of updated relevant reference materials. It is suggested that course coordinators have to constantly assess the course objectives and relevance of the syllabus and suitability of the syllabus to the course contents. Feedback taken from Alumni gave certain constructive opinions about the college. They expressed that they gained subject knowledge, improved communication skills and confidence levels with the interactive teaching learning activities conducted during their course and recommended to focus on more skill development, employability skills set and more internship programs can be taken up for better industrial exposure. Employers in their feedback felt that students are having subject knowledge, communication skills and technical skills. They made a special note on team building quality, interpersonal skills, leadership qualities and good attitude of students. Employers expected for increased level of planning and organizing skills and creativeness towards meeting the workplace challenges among the students to enhance their contribution towards the organization. Feedback collected from the parents includes opinion on teaching learning methodology, facilities provided, opportunities for career development, to discuss their problems freely and conducive environment for the learning. The consolidated feedback obtained from the stakeholders is received by the College Academic Committee and is submitted to Internal Quality Assurance Cell and which further placed the report before the Board of Governors for their suggestions and

recommendations. The suggestions given by the Board of Governors in this regard is received by the College Academic Committee and forwarded to the Department level Academic Committee. These suggestions are implemented in the curriculum for achieving Institutional excellence which includes:

- Organized programs on gender sensitization, eco-friendly skills and personality development skills.
- Certificate and training programs on CRT, GST, Digital marketing, SPSS, and orientation program on Data Analytics and R -language were conducted as expected by the stakeholders.
- Guest Lectures were conducted by inviting speakers from ISFS, Dukes India team etc.
- Members of Datta Yoga are invited to explain the students about the stress disorders in people and relieving stress through Yoga.
- To enhance creativity, analytical, technical and interpersonal skills among the students Yi organized Yuva Fest.
- Seminars on Career building, interview skills, employability skills were organized by inviting industry resource persons and well-placed alumni also invited as resource persons as a part of it.

## CRITERION II – TEACHING- LEARNING AND EVALUATION

### 2.1 – Student Enrolment and Profile

#### 2.1.1 – Demand Ratio during the year

| Name of the Programme | Programme Specialization | Number of seats available | Number of Application received | Students Enrolled |
|-----------------------|--------------------------|---------------------------|--------------------------------|-------------------|
| MBA                   | Management               | 300                       | 385                            | 300               |
| MCA                   | Computer Science         | 120                       | 150                            | 101               |

[View File](#)

### 2.2 – Catering to Student Diversity

#### 2.2.1 – Student - Full time teacher ratio (current year data)

| Year | Number of students enrolled in the institution (UG) | Number of students enrolled in the institution (PG) | Number of fulltime teachers available in the institution teaching only UG courses | Number of fulltime teachers available in the institution teaching only PG courses | Number of teachers teaching both UG and PG courses |
|------|---|---|---|---|--|
| 2018 | Nil   | 781   | Nil   | 57  | 57   |

### 2.3 – Teaching - Learning Process

#### 2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

| Number of Teachers on Roll | Number of teachers using ICT (LMS, e-Resources) | ICT Tools and resources available | Number of ICT enabled Classrooms | Number of smart classrooms | E-resources and techniques used |
|----------------------------|---|-----------------------------------|----------------------------------|----------------------------|---------------------------------|
| 57                         | 57  | 17                                | 16                               | 1                          | 21                              |

#### 2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

? The Institution has an integrated student centric mentoring system where the faculty acts as a link between the students and the institution and performs the following functions- Mentors are assigned to monitor and guide students all through the two years. Mentors coordinate with the parents regarding the progress of the students. At the commencement of every academic year, the college conducts a week long Induction programme by inviting experts to create awareness about the courses offered and their prospects for newly admitted students.

In order to determine the distinct levels of knowledge, understanding and learning difficulties of the students a diagnostic test will be conducted within three weeks of completion of admissions. This test consists of English Language test, Arithmetic and Reasoning. Through the performance evaluation in the test, students are identified as following: ? Students scoring greater than 70 are recognized as advanced learners. They are provided with more learning opportunities like access to various institutional repositories, book banks, and registration to online courses like NPTEL. They are encouraged to participate in workshops, seminars, conferences within and out of the institution to showcase their talents. Competitive Examination Guidance, NET/SET Guidance and INFLIBNET membership is also provided to the advanced learners. The institution is having a good record of securing University Ranks and the advanced learners are motivated towards achieving this. Top performers will be awarded with Gold medals, merit certificates on various occasions in recognition of their performance. ? Students scoring between 69 to 45 are categorized as average learners and will be motivated to enhance their skills by continuous mentoring and guidance by the faculty. They are motivated to improve subject knowledge, communication and presentation skills. By continuous monitoring a major percentage of these students improve upon and will get the benefits of the advanced learners. ? Students scoring below 45 are categorized as slow learners. Special Guidance is given to slow learners and are encouraged to come and do hands-on work at their own pace to facilitate self learning. Personal Counselling, Remedial classes and mentoring sessions are designed to bring the slow learners on par with the other students. Faculty makes extra effort to impart the subject knowledge to the slow learners and make them understand the concepts. The performance of slow learners will be also be monitored through continuous evaluation system. ? Students securing below 45 of marks in the internal assessment tests will be identified and given counseling to overcome their difficulties and are provided with additional inputs like reading material, question banks, question paper solving, assignments, extra lectures, Book bank facility, Departmental library resources to enhance their abilities. Different time slots are allotted for all the group of students for mentoring and various activities for advancement. Mentoring of students is carried out systematically to render equitable service to all the students having varied background. The institutional practice of Mentoring System has considerably enhanced contact hours between Mentors with their respective students and resulted in improvement in students academic performance and attendance.

|  |                             |                       |
|--|-----------------------------|-----------------------|
| Number of students enrolled in the institution | Number of fulltime teachers | Mentor : Mentee Ratio |

| <a href="#">View File</a> |                |                |  |   |

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

? At the commencement of every academic year, students are made aware of the continuous internal evaluation mechanism. Examination cell monitors the mechanism throughout the year. ? The university has brought out a major evaluation reform by introducing Choice based credit system. A unique continuous internal evaluation system is adopted by institution in addition to the common internal assessment as prescribed by the affiliated university. It evaluates the performance of the student in internal exams, assignments, project work, paper presentations , publications and Interactive Teaching Learning activities to capture the attainment of program outcomes and program specific outcomes. ? The institution is having a well constituted Examination cell. It adopts blended Bloom's taxonomy in evaluation. The question banks are prepared in line with the Bloom's taxonomy. Jumbling system of question papers is implemented to avoid malpractices. ? Student's performance for each ITL activity will be appraised using Bloom's taxonomy. These scores will be added to assignments score and an average of them will be considered for final award of marks. ? To create transparency CC cameras are installed and jumbling system of seating is introduced in exam hall. ? After evaluation, the answer scripts and marks will be communicated to the students for verification. Grievances are handled by Exam cell. ? Result analysis of external examinations and follow-up actions are taken to improve the future performance of students. ? Faculty conducts surprise-test, collaborative learning practices, project-based assignments, tutorial and extended classes to evaluate students performance to

get better results.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

- The Institution being affiliated to Osmania University, follows the Almanac released by the University which includes start and end dates of the semester and examination schedules. With reference to University calendar IQAC of the Institution prepares the detailed calendar of at the institution level. The Institution follows the given syllabus and academic calendar throughout the semester. The institution strictly adheres to the schedule of the internal assessments as per the university almanac.
- The Academic Committee plans a master time table including daily schedule of the regular class activities. The details of courses are informed to students at the beginning of semester. Timely completion of the curriculum is ensured through prior planning, strict execution, regular oral and written feedback mechanism. The departments will prepare a comprehensive academic manual consisting of course details, session plans and ITL activity schedules at the beginning of the semester.
- The Academic Committee and Heads of the Departments constantly monitors the status of syllabus completion . If any deviations are observed corrective measures will be taken. Student feedback is sought to improve effectiveness of Teaching.
- The examination cell follows the calendar of examinations and designs a time table. The schedules for evaluation and submission of marks to the university will be communicated to the faculty and Heads of Departments by conducting regular meetings.

## 2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

[apgcr.edu.in/academics-program-outcomes.html](http://apgcr.edu.in/academics-program-outcomes.html)

2.6.2 – Pass percentage of students

| Programme Code | Programme Name | Programme Specialization | Number of students appeared in the final year examination | Number of students passed in final year examination | Pass Percentage |
|----------------|----------------|--------------------------|---|---|-----------------|
| 672            | MBA            | Management               | 278   | 275   | 98              |
| 862            | MCA            | Computer Science         | 44  | 42  | 98              |

## 2.7 – Student Satisfaction Survey

2.7.1 – Student Satisfaction Survey (SSS) on overall institutional performance (Institution may design the questionnaire) (results and details be provided as weblink)

<http://www.apgcr.edu.in/pdf/student-satisfaction-survey-auri.pdf>

## CRITERION III – RESEARCH, INNOVATIONS AND EXTENSION

### 3.1 – Resource Mobilization for Research

3.1.1 – Research funds sanctioned and received from various agencies, industry and other organisations

| Nature of the Project | Duration | Name of the funding agency | Total grant sanctioned | Amount received during the year |
|-----------------------|----------|----------------------------|------------------------|---------------------------------|
| Minor Projects        | 180      | SPS Consultancy            | 3.08                   | 3.08                            |

|                                      |      |                               |      |      |
|--------------------------------------|------|-------------------------------|------|------|
| Interdisciplinary Projects           | 90   | Zen Money Marketing Solutions | 2.1  | 2.1  |
| Industry sponsored Projects          | 120  | Religare Health Insurance     | 2.85 | 2.85 |
| Projects sponsored by the University | 90   | SPS Consultancy               | 2.17 | 2.17 |
| Major Projects                       | 1095 | AICTE                         | 10   | 0    |
| No file uploaded.                    |      |                               |      |      |

### 3.2 – Innovation Ecosystem

3.2.1 – Workshops/Seminars Conducted on Intellectual Property Rights (IPR) and Industry-Academia Innovative practices during the year

| Title of workshop/seminar  | Name of the Dept. | Date       |
|--|-------------------|------------|
| Workshop on role of intellectual rights and technology                   | Management        | 20/08/2018 |
| Seminar on Research Ethics   | Management        | 15/09/2018 |
| Workshop on IPR Awareness  | Management        | 22/11/2018 |
| Seminar on Plagiarism and Copyright rights                               | Management        | 26/02/2019 |
| Workshop on intellectual rights with focus on copyrights patent Drafting | Computer Science  | 18/05/2019 |

3.2.2 – Awards for Innovation won by Institution/Teachers/Research scholars/Students during the year

| Title of the innovation                                    | Name of Awardee | Awarding Agency                                  | Date of award | Category             |
|--|-----------------|--|---------------|----------------------|
| Creative Teaching  | Dr.S.Pratibha   | Aurora Consortium                                | 05/09/2018    | Management Education |
| Creative Teaching  | E.Devender Rao  | Aurora Consortium                                | 05/09/2018    | Computer Science     |
| Student Motivation   | R. Sushma       | Aurora Consortium                                | 12/03/2019    | Cultural Activities  |
| A Case study on Mergers and Acquisitions in Banking Sector | N S Vaishnavi   | Sri Tripuraneni Manichowdari Memorial Gold Medal | 02/11/2018    | Best Case Study      |
| Impact of GST on Indian Economy                            | D Jinesha       | Nimmatoori Dammaiah Memorial Gold Medal          | 02/11/2018    | Best Seminar         |

3.2.3 – No. of Incubation centre created, start-ups incubated on campus during the year

| Incubation Center | Name                 | Sponsored By         | Name of the Start-up     | Nature of Start-up | Date of Commencement |
|-------------------|----------------------|----------------------|--------------------------|--------------------|----------------------|
| 1                 | Centre of Excellence | Henotic Technologies | Clima Tech HVAC Services | Cleaning services  | 14/08/2018           |
| No file uploaded. |                      |                      |                          |                    |                      |

### 3.3 – Research Publications and Awards

#### 3.3.1 – Incentive to the teachers who receive recognition/awards

| State | National | International |
|-------|----------|---------------|
| 4500  | 0        | 0             |

#### 3.3.2 – Ph. Ds awarded during the year (applicable for PG College, Research Center)

| Name of the Department | Number of PhD's Awarded |
|------------------------|-------------------------|
| Management             | Nill                    |
| Computer Science       | Nill                    |

#### 3.3.3 – Research Publications in the Journals notified on UGC website during the year

| Type                      | Department | Number of Publication | Average Impact Factor (if any) |
|---------------------------|------------|-----------------------|--------------------------------|
| International             | Management | 23                    | 7.9                            |
| <a href="#">View File</a> |            |                       |                                |

#### 3.3.4 – Books and Chapters in edited Volumes / Books published, and papers in National/International Conference Proceedings per Teacher during the year

| Department                | Number of Publication |
|---------------------------|-----------------------|
| Management                | 54                    |
| Computer Science          | 11                    |
| <a href="#">View File</a> |                       |

#### 3.3.5 – Bibliometrics of the publications during the last Academic year based on average citation index in Scopus/ Web of Science or PubMed/ Indian Citation Index

| Title of the Paper | Name of Author | Title of journal | Year of publication | Citation Index | Institutional affiliation as mentioned in the publication | Number of citations excluding self citation |
|--------------------|----------------|------------------|---------------------|----------------|---|---|
| Nill               | Nill           | Nill             | 2018                | 0              | Nill  | Nill  |
| No file uploaded.  |                |                  |                     |                |   |   |

#### 3.3.6 – h-Index of the Institutional Publications during the year. (based on Scopus/ Web of science)

| Title of the Paper                           | Name of Author | Title of journal                               | Year of publication | h-index | Number of citations excluding self citation | Institutional affiliation as mentioned in the publication |
|--|----------------|--|---------------------|---------|---|---|
| A Study on Corporate Governance Practices of | Dr.S. Sandhya  | Indian Journal of Finance, ISSN No. 0973-8711. | 2019                | 5       | Nill  | Auroras P.G College, Ramanthapur                          |

|   |                  |   |      |   |     |                                  |
|---|------------------|---|------|---|-----|----------------------------------|
| Selected Banks in India   |                  |   |      |   |     |                                  |
| Study of Psychological Well-being of Nurses in Delhi Hospitals With Respect to Leadership and Professional Commitment | Dr. B. MadhuBala | Journal of Advanced Research in Dynamical and Control Systems, ISSN: 1943-023x. | 2018 | 8 | Nil | Auroras P.G College, Ramanthapur |

#### 4.3 – IT Infrastructure

##### 4.3.1 – Technology Upgradation (overall)

| Type     | Total Computers | Computer Lab | Internet | Browsing centers | Computer Centers | Office | Departments | Available Bandwidth (MBPS/ GBPS) | Others |
|----------|-----------------|--------------|----------|------------------|------------------|--------|-------------|----------------------------------|--------|
| Existing | 210             | 6            | 2        | 0                | 1                | 2      | 2           | 60                               | 1      |
| Added    | 30              | 0            | 1        | 1                | 0                | 0      | 0           | 40                               | 1      |
| Total    | 240             | 6            | 3        | 1                | 1                | 2      | 2           | 100                              | 2      |

##### 4.3.2 – Bandwidth available of internet connection in the Institution (Leased line)

100 MBPS/ GBPS

##### 4.3.3 – Facility for e-content

| Name of the e-content development facility | Provide the link of the videos and media centre and recording facility |
|--|--|
| Nil  | <a href="#">Nil</a>  |

#### 4.4 – Maintenance of Campus Infrastructure

4.4.1 – Expenditure incurred on maintenance of physical facilities and academic support facilities, excluding salary component, during the year

| Assigned Budget on academic facilities | Expenditure incurred on maintenance of academic facilities | Assigned budget on physical facilities | Expenditure incurred on maintenance of physical facilities |
|--|--|--|--|
| 25                                     | 22.45  | 60                                     | 53.64  |

4.4.2 – Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc. (maximum 500 words) (information to be available in institutional Website, provide link)

Established systems and Procedures for maintaining and utilizing academic support facilities-laboratory, library, sports complex, computers, class room etc., The Institute has centralized Housekeeping staff for the entire campus with full time salaried employees. All complaints and recommendations registered are being checked and processed by the Office of the Registrar with the approval of the Principal/Director to ensure proper functioning and improvement of the equipment and other facilities under annual maintenance. The maintenance and improvement of the campus is carried out according to the decisions taken by the college management. The Head of the departments make the requisition/note sheets according to the requirement of equipments, computers, furniture, maintenance and repair of basic needs. Those requisitions are submitted it to the Principal/Registrar. The management approves and allocates funds incase of new equipments are required in the institution. An effective monitoring system through various committees ensures the optimal utilization of budget allocation. The college has appointed external agencies for maintenance and repair of infrastructure, equipment and other facilities like maintenance of lifts, fire extinguishers, fire systems and generator. Physical infrastructure repair work is carried out by appointing external agency. AMC contract is given to external agency for the maintenance of all computers within the college. Other laboratory equipment is maintained by technical supporting staff. In case of any repair requirement, service is hired from outside agencies. The Institute has a Sports Committee with a Physical Director to effectively organize various sports on the campus and off the campus for the students. Institute organizes sports events to improve sportsman spirit. Indoor games like Caroms, Chess and Table Tennis. Outdoor games like Volley Ball, Badminton and Tennikoit are organized for students and faculty. Yoga camps are organized for stress relief. The Department of Computer Science supervises the AMC including Computers and its allied Infrastructure. Regular checks of equipment are carried out in all the laboratories by lab co-coordinator. AMC also handles need-based installation of computer facilities in the college. Department of Computer Science controls the Internet and biometric security systems. Regular Cleaning and mopping work is done by House Keeping Department. Registers are maintained to record the work. Other maintenance related issues are attended by carpenter and electrician of the institution subject to the complaint put in complaint register. Well qualified Electricians are available round the clock to address power breakdown and they also attend to power supply related complaints. They perform regular checks in classrooms and campus to ensure that all electrical fittings are working in good condition. Solar power panel are also monitored by electricians.

5.1.3 – Students benefited by guidance for competitive examinations and career counselling offered by the institution during the year

| Year | Name of the scheme | Number of benefited students for competitive examination | Number of benefited students by career counseling activities | Number of students who have passed in the comp. exam | Number of students placed |
|------|--------------------|--|--|--|---------------------------|
|      |                    |  |  |  |                           |

|                           |                             |     |     |    |     |
|---------------------------|-----------------------------|-----|-----|----|-----|
| 2018                      | Campus Recruitment Training | 140 | 310 | 55 | 252 |
| 2019                      | PSU Exams /TPPSC            | 152 | Nil | 78 | 48  |
| <a href="#">View File</a> |                             |     |     |    |     |

5.1.4 – Institutional mechanism for transparency, timely redressal of student grievances, Prevention of sexual harassment and ragging cases during the year

|                           |                                |   |
|---------------------------|--------------------------------|---|
| Total grievances received | Number of grievances redressed | Avg. number of days for grievance redressal |
| 6                         | 6                              | 4   |

## 5.2 – Student Progression

5.2.1 – Details of campus placement during the year

| On campus                     |                                 |                           | Off campus                    |                                 |                           |
|-------------------------------|---------------------------------|---------------------------|-------------------------------|---------------------------------|---------------------------|
| Name of organizations visited | Number of students participated | Number of students placed | Name of organizations visited | Number of students participated | Number of students placed |
| Genpact                       | 38                              | 19                        | United Health Group           | 14                              | 6                         |
| <a href="#">View File</a>     |                                 |                           |                               |                                 |                           |

5.2.2 – Student progression to higher education in percentage during the year

| Year | Number of students enrolling into higher education | Programme graduated from | Department graduated from | Name of institution joined | Name of programme admitted to                 |
|------|--|--------------------------|---------------------------|----------------------------|---|
| 2018 | 1  | PG                       | MBA                       | Monash University          | PhD in Business                               |
| 2018 | 1  | PG                       | MBA                       | University of Bonn         | PhD in Finance                                |
| 2018 | 1  | PG                       | MBA                       | JAMES COOK University      | Masters in Business Administration            |
| 2018 | 1  | PG                       | MBA                       | University of East London  | Management of Business Information technology |
| 2018 | 1  | PG                       | MCA                       | Duke University            | MSc in Computer                               |
| 2019 | 1  | PG                       | MBA                       | University of Manchester   | MSc Marketing                                 |
| 2019 | 1  | PG                       | MBA                       | York University            | MSc Operations Management                     |
| 2019 | 1  | PG                       | MBA                       | University of Macau        | Business Administration                       |

|                           |   |    |     |   |                                 |
|---------------------------|---|----|-----|---|---------------------------------|

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The institution has well organized student council and has a unique culture of student driven activities through committees. The students are a part of planning, implementation and execution of all activities organized at the institution. It is formed by a well -established process consisting of inviting applications from the students for the various posts of students' council. A formal voting procedure is used to select the student representatives after the nominations are received by the students. The selected set of students by voting are instructed by a panel comprising of the Principal, Vice Principals and Head of the Departments. The college student council comprises of following members • Chair person • Vice Chair person • General Secretary • Magazine Editors • Nominated Members • Class representatives from each Class (Academic Topper) • NSS Coordinator • Two Lady representatives The council is responsible for looking into most of the student activities on campus, including clubs and festivals. It looks after the various student initiatives, technical /academic programs as well as student grievances that may come up. The details of academic and administrative bodies having student representation are as under:

- Placement Committee: The Institute also has a placement Committee comprising students who are actively involved in placement process of the institute. They maintain the database of companies, CVs of all students, connect with industry and coordinate in placement process with faculty Incharge. The students are chosen on the basis of PI by Placement head.
- Student's Cultural Committee: Student's Cultural Committee consists of two student members and four faculty members. Culturally talented students are spotted by the committee members and efforts are made to develop their skills, talents by encouragement, right training and guidance.
- IQAC student Wing: Two student representatives are nominated from each class as IQAC representatives and they coordinate all feedback from their classes about the various student support programs
- Anti ragging Committee: The committee consists of 6 members, four of them are teaching faculty and two are student members and has been constituted to

prohibit, prevent and eliminate the scourge of ragging including any conduct by any student

- Sports Committee: The sports committee consists of 6 members out of two are faculty members and four are student council members and helps in conduct of sports.
- BFM Club :Benjamin Franklin Memorial Club is a personality development club comprising of a students and are engaged in literary, cultural, sports, social service activities .They also involve in voluntary work to help sections of the society
- Yuva (CII) Skill Will club: It is a unique industry driven club in the Institute. The club involves skill enhancement activities like presentations, book review and discussions. These sessions are planned by Young India, a youth wing of Confederation of Indian industry and implemented in the institution. Students are divided into groups. Each group get a specific topic to present which is further assessed and evaluated by industry representatives only. The club has student coordinators and faculty In-charge.

## 5.4 – Alumni Engagement

### 5.4.1 – Whether the institution has registered Alumni Association?

Yes

The institution has a rich network of alumni who actively involve in different activities for students enhancement. The institution has registered the Alumni Association on 16th May,2008 with Registration No. 425 in the Office of Registrar of Societies. At present the institution is having six alumni Chapters located at Bengaluru, London, Texas, Hyderabad, Pune and Chennai. The executive members meet on a regular basis and encourage alumni connect activities regularly. The alumni members are also invited for various academic, cultural and social events held in our college as judges as well as speakers to share their experiences and motivate young talents. The alumni members show keen interest in guiding their juniors for comprehensive grooming.. The institution believes in the dictum that the strength of the institution lies in the rapport maintained between the alumni and the institution.. So far many of the alumni students of the institution were placed in various Multinational companies like Deloitte, Infosys, Cognizant, Value labs, Genpact, Accenture, Dupont, ICICI, HDFC, BRMB, Factset etc. The alumni association comprises of former students and faculty of the institution. Functions of Alumni association

- The association helps in raising funds for the various activities like Management fests and cultural activities in the form of sponsorships.
- Every Alumni at the time of registration in alumni association contributes an amount of Rs 500 towards the development of the institution.
- Alumni organizes a exclusive sale for women and the income generated is utilized for social welfare activities.
- It assists scholarships for needy students.
- They donate books related to subjects and competitive exams to the library.
- Alumni exchanges the information through emails, guiding junior students of the college for information on job opportunities, higher studies at Indian/Overseas universities and other career and academic related information.
- Alumni association has regular interaction with the college with regard to appropriate measures to be taken by the institution for the design of curriculum, initiatives to make the students ready for the industry requirements, appropriate measures for overall academic excellence of the institute through a structured feedback form /mechanism.
- The Alumni acts as advisory members in all professional bodies and closely monitors and advices to the students on various events.
- Alumni members are also conducting various social service activities. Helping Hands is one of the examples for alumni social responsibility, started by an alumnus.
- Alumni members help in coordinating for signing MOU with companies where the alumni are working.
- Frequently the members of alumni deliver guest lectures /seminars to the students on recent advances in the industry, industry expectations and how to prepare for campus placements etc Value education, Moral instruction and remedial classes for

students are taken by alumni volunteers.

5.4.2 – No. of enrolled Alumni:

326

5.4.3 – Alumni contribution during the year (in Rupees) :

228200

5.4.4 – Meetings/activities organized by Alumni Association :

During the period of 2018-2019 three Alumni meetings were conducted on 04th August, 2018, 16th February, 2019 and 20th April, 2019 around 100 Alumni participated. During the Alumni Meet held on 16th February, 2019 an Alumni News Letter - Sammelan has been released Apart from meetings Alumni also involved in the activities like Interaction with Fresher's on 22nd August, 2018. On 23rd January, 2019 one of the Alumni has imparted the knowledge on "Digital Marketing" to 214 management students. . 192 students were guided to shape their careers by Alumni through the lecture on "Career Building skills" on 06th February, 2019.

## **CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT**

### **6.1 – Institutional Vision and Leadership**

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. Research and Development (R D) Cell's primary objective is to promote faculty and student research in the institution. The Cell gather's information about paper presentations and events from national and international seminars and conferences and disseminates the same through circulars and by displaying on notice boards. The R D Cell initiates to organize seminars, conferences, and workshops in the college in association with industry, sponsoring/funding agencies. The Cell shall also apply for copyrights and patents for the publications of faculty. It also regularly deputed the staff to attend various national and international conferences/Workshops of their specialized areas and also provides financial assistance to enable them to do so. The R D Cell can apply for sponsorships that may be granted by various government and non-government bodies. The Cell also ensures that faculty prepares research projects proposals, proposals for faculty development programs, short term courses. They are given authority to conduct seminars/workshops/conferences/FDP. The interested faculty comes with proposals and after it is reviewed by the R D cell, the same will be approved by the IQAC. The concerned faculty will plan and budget for the approved proposals of seminars/workshops/conferences/FDP. 2. The HODs have been given financial independence to the extent of rupees 2, 00,000 per annum. The HOD can plan and expense for activities and other things at department level upto the above mentioned financial limit. The HOD will have to prepare a budget and same shall be approved by the concerned authority. 3. The institution aspires to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution through Internal quality assurance (IQAC) cell. It actively involves in design and implementation of annual plan for institution - level activities for quality enhancement. There are different cells, committees and clubs of the college that work on the principle of equal distribution of duties, hence increasing the efficiency and competency of the teachers. They organize a number of extra-curricular activities such as Inter-House Competitions, Talent Hunt, Seminar, Workshop, Exhibitions, Community Activities etc. To elicit information and to monitor the quality of teaching learning Internal Quality Assurance Cell conducts meetings with the members of various cells and committees so that the members can contribute innovative

ideas to improve the quality standards. The coordinators of each cell and committee are encouraged to have brainstorming sessions with their respective cell/ committee members and also students to generate new ideas at operational level too. The IQAC tries to know such new ideas and concepts from the coordinators and shall implement the same, wherever possible. The Institute organizes a number of socially relevant activities like gender equity, safety, cleanliness drives etc.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

## 6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

| Strategy Type          | Details   |
|------------------------|---|
| Curriculum Development | The Institution follows and implements the curriculum in line with the Almanac of Osmania University. The Institution is having College Level Academic Committee and Department Level Academic Committee which plan and monitor effective implementation of the curriculum. The institution is having a prescribed format for curriculum gap analysis and the identified gaps will be covered through bridge courses and add-on courses so that students gain knowledge that is relevant for the industry. This year apart from regular add-on courses, new training programs on GST, Digital marketing and python were conducted.  |
| Teaching and Learning  | The Institution follows a comprehensive teaching learning methodology which integrates conventional teaching, interactive teaching learning, experiential learning, and supplementary teaching along with many modules of contents beyond syllabus. Students are encouraged to register in various online courses offered by MOOC and with other online courses platforms like edX, Coursera to improve the academic standards. The institution is the local chapter of SWAYAM - NPTEL. It facilitates the use of UGC-SWAYAM video lectures to the students in order to upgrade their learning experiences. IQAC has organized workshops/ seminars on e-resources, ICT based teaching learning and innovative strategies in teaching-learning processes. The institution has developed smart classrooms, is also having a dedicated Cloud network to share the instructional and information last |

|  |  |
|--|--|
|  | resources.   |
| Examination and Evaluation                                 | <p>A distinctive continuous internal evaluation system is adopted by institution in addition to the common internal assessment as prescribed by the affiliated university. It evaluates the performance of the student in internal exams, assignments project work, surveys, paper presentations, publication of articles and Interactive Teaching Learning activities. The Examination cell of the institution adopts blended Bloom's taxonomy in evaluation which indicates three domains of learning to test the knowledge, skill and attitude. To create transparency during examinations, CC cameras are installed and jumbling system of seating are introduced in exam hall.</p>  |
| Research and Development                                   | <p>The Research and Development cell encourages the faculty to prepare research project proposals to get research funds from different sponsoring organizations like AICTE, ICSSR, DST-NSIET, EDI, UGC, NAAC etc. It also initiates to organize research oriented workshops and training programs. J-Gate membership has been renewed for better quality research. Apart from these activities, the institution has entered an Memorandum of understanding (MOU) with Henotics Technologies Pvt Ltd and established Centre Of Excellence to facilitate both the faculty and the students research activities. Students in particular can work on current technology through mini-projects and internships in identified areas beyond the coverage of the syllabus.</p> |
| Library, ICT and Physical Infrastructure / Instrumentation | <p>The institution has appointed external agencies for maintenance and repair of infrastructure, equipment and other facilities like maintenance of lifts, fire extinguishers, fire systems and generator. Other laboratory equipment is maintained by technical supporting staff. Well qualified Electricians are available round the clock to address power breakdown and Solar power panel. Faculty create and publish course schedules deadlines and tests, grade and track the student performance over time by using LMS. Digital resources that can be accessed by faculty and students are databases,</p>  |

books, journals, newspapers, research reports, etc. The Wifi facility is provided with 50 Mbps speed and is centrally managed by Router. The institution procured web cameras to conduct online tests, video conference and interviews. Dedicated servers are available separately for the Computer Center, Administrative Office, Examination Cell, Library and individual departments There are two spacious Seminar Halls with 270Sqms area, well-ventilated, air- conditioned equipped with LCD, Audio-Visual and Public address facilities.

Human Resource Management

The recruitment procedures, service rules and promotion policies are very transparent. As a part of HR policies employees are benefitted with Casual Leaves, Medical Leaves and Employment provident fund. For professional development of the human resources, the institute delegates the faculty and staff to undergo development programs inside and outside the institute provides technical resources and financial assistance to undertake such development programs. Faculty and students are supported well for their academic achievements. At the end of every year, performance evaluation is done for promotions and increments.

Industry Interaction / Collaboration

The institution continues industry connection through guest lectures, internships and projects, industry visits and MOUs. The Placements committee has been at the forefront in maintaining and improving industry connections. During the year, the institution renewed MOU with YI wing of CII and a continuing MOU with NSIC, Hyderabad. There are a number of institutional agreements with companies like Coca-Cola, Parle-G, Wipro, Bajaj Finserv, Brandlance Business solutions, Apex Insurance Broking Services and Face Institute for student developmental activities, internships and field visits.

Admission of Students

Admission is carried out according to the norms of the affiliating University and as per the guidelines of the State Government of Telangana. Paperless admission procedure has been introduced wherein a pre application form is given, to be filled in through Google forms. Regular reminders are sent to

applicants and queries can be submitted by the applicants on institution website or contacting the counselors directly, such queries will be resolved through emails or calls. After the applicant submits the application form along with required documents, the selection is based on the candidate's performance either in the state level entrance test which is carried through counseling or test conducted by the institution.

#### 6.2.2 – Implementation of e-governance in areas of operations:

| E-governance area             | Details                               |
|-------------------------------|---------------------------------------|
| Planning and Development      | MIS Gibbon                            |
| Administration                | MIS Gibbon                            |
| Finance and Accounts          | Tally Solutions Pvt Ltd, Bengaluru    |
| Student Admission and Support | MIS Gibbon , Edmodo Inc.              |
| Examination                   | MIS Gibbon, Online Examination Portal |

### 6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

| Year | Name of Teacher  | Name of conference/ workshop attended for which financial support provided                    | Name of the professional body for which membership fee is provided | Amount of support |
|------|------------------|---|--|-------------------|
| 2019 | M.Subhashini     | International Conference on "Emerging Trends in Business Management and Challenges"           | Vishawavishwani School of Business, Hyderabad.                     | 2000              |

## 6.4 – Financial Management and Resource Mobilization

### 6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

Internal Audit The institution has a finance committee for internal audit. The mechanism for the audit is as per the directions and guidelines given by the standard accounting norms, UGC and higher education department of state government. The college prepares budget every year taking into account the various components. The Business Management and Computer Applications departments prepare the budget every academic year in purview of the requirements of recurring and non-recurring expenditure and the same is scrutinized by the Finance Committee as per budget provisions. The same will be forwarded to Director for review. All expenses are internally audited by the accountant on a routine basis. External Audit The external audit is performed by Auditor and certified by the Chartered Accountant and same will be submitted to the Corporate Office. Since the inception till today, no major deviations are recorded by the auditors and minor deviations if any are rectified as per the standard accounting guidelines during audit period itself. In-house finance committee in consultation with auditor will regularly monitor the income and expenditure and ensure that it is within the given budget. There are no major deviations and suggestions, if any from the auditors in this regard are immediately met by accounting and finance department.

### 6.4.2 – Funds / Grants received from management, non-government bodies, individuals, philanthropies during the year(not covered in Criterion III)

| Name of the non government funding agencies /individuals | Funds/ Grnats received in Rs. | Purpose    |
|--|-------------------------------|------------|
| Sri Chinthala Pani Venkat Reddy Memorial Gold Medal      | 20000                         | Gold Medal |
| <a href="#">View File</a>                                |                               |            |

### 6.4.3 – Total corpus fund generated

1162076

## 6.5 – Internal Quality Assurance System

### 6.5.1 – Whether Academic and Administrative Audit (AAA) has been done?

| Audit Type     | External |  | Internal |                |
|----------------|----------|--|----------|----------------|
|                | Yes/No   | Agency   | Yes/No   | Authority      |
| Academic       | Yes      | Directorate of Academic and Audit Cell, Osmania University | Yes      | IQAC           |
| Administrative | Yes      | Directorate of Academic and Audit Cell, Osmania University | Yes      | Governing Body |

7.1.5 – Human Values and Professional Ethics Code of conduct (handbooks) for various stakeholders

| Title                     | Date of publication | Follow up(max 100 words)   |
|---------------------------|---------------------|--|
| Code of Conduct Handbooks | 24/04/2018          | <p>A well-written code of conduct symbolises an organization's mission, values and principles, linking them with standards of professional conduct. The code articulates the values the organization wishes to foster in leaders and employees and, in doing so, defines desired behavior. As a result, written codes of conduct or ethics can become benchmarks against which individual and organizational performance can be measured. Additionally, a code is a central guide and reference for employees to support day-to-day decision making.</p> <p>Student Handbook<br/>University Grants Commission believes that a safe, secure and cohesive learning climate is an ineluctable precondition to quality</p> |

education and research in HEIs. It should be the prime concern of educational administrators across the country to ensure that students are safeguarded against attacks, threats and accidents, both man-made and natural. With this in mind, the Commission has formulated guidelines on the ways in which the campuses of HEIs can be transformed into oasis of safety, security and study.

Teachers Handbook The Code of Conduct for Teachers handbook highlights their adherence to high moral values as well as technical and professional competence in the practice of their noble profession. The teachers' handbook has manifold use, • It serves as a guiding compass as teachers seek to steer an ethical and respectful course through their career in teaching and to uphold the honor and dignity of the teaching profession. • It may be used by the education community and the wider public to inform their understanding and expectations of the teaching profession. • It has an important legal standing and will be used by the Council as a reference point in exercising its investigative and disciplinary functions.

Principal handbook Similarly the code of conduct handbook for principal highlight the ethical behavior, administrative responsibilities, leadership skills,

overall security and confidentiality of academic assessment and other responsibilities of the principal. It also includes the compliance with applicable government laws and accounting, financial reporting and disclosures.

#### 7.1.6 – Activities conducted for promotion of universal Values and Ethics

| Activity  | Duration From | Duration To | Number of participants |
|---|---------------|-------------|------------------------|
| World No Tobacco Day                            | 31/05/2019    | 31/05/2019  | 426                    |
| World Anti-Terrorism Day                        | 21/05/2019    | 21/05/2019  | 250                    |
| National Technology Day                         | 11/05/2019    | 11/05/2019  | 310                    |

#### 7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

The College has adopted various measures to maintain environmental friendly practices as indicated below. • The Green-Practices is carried out by the National Service Scheme and Nature Club. • The use of plastic bags is avoided in the campus and Students and staff are motivated to use jute bags or cotton bags. • The college relies on E-message applications as the main medium of communication to reduce paper usage and emphasizes on paperless office. • The college participates in the Swacch Bharat and other programs conducted by the state government to signify cleanliness. • The institution participates in plantation of saplings in and around the campus through its NSS club every year. • An eco-friendly Ganesh idol is installed in the college campus during the Ganesh Chaturthi. • The institute observes International Earth Day every year on April 22nd by observing the Earth • Hour. i.e, the campus turns off all electrical and electronic equipment from 11 a.m. to 12 p.m. • The faculty and students observe a No Vehicle Day once in every semester to reduce fuel usage. On this day, usage of bicycles and public transport is encouraged. Campus

composting programs can be effective in raising students awareness of composting and environmental issues. The college has constructed a compost pit of 2 m x 1.5 m inside the campus to capture and compost food generated from the college cafeteria and also the organic waste from the garden such as leaves and grass clippings. An awareness program was also conducted in the campus. The use of signage on boards and bins was effective in relaying messages about composting to the students

## 7.2 – Best Practices

### 7.2.1 – Describe at least two institutional best practices

**Title:** Student Induction Programme **The Context:** Students of contemporary era exhibit curiosity of pursuing a shining career in the field of Management and Computer Application, where aspirants embark on their academic journey without determining their interests and goals. This lack of inclination turns into a major roadblock in an academic journey and attainment of goal for students. Besides, the adjustment in a new milieu, peer pressure, expectations of parents and their close supervision, competition, increasing workload and responsibilities and above all individual aspirations shake the spirit of students. Consequently, ample number of promising students suffers from deterioration in their academic performance and some of the students may also turn into dropouts. To aid students overcome this despicable entity, it is the need of the hour to have proper orientation through induction program. Emphasizing on the remedy to these problems, AICTE introduced Induction Program and announced it mandatory for all colleges. Aurora's Induction Program is an attempt to meet the directives and standards set by the AICTE. **Objectives:**

- To familiarize the students with the practices of the institutions and extend necessary support, which will ease their stay with the institution.
- To familiarize students with the campus environment and physical facilities
- To build a learning partnership by providing an introduction to the programme of study, the methods of assessment, appeal mechanisms, availability of additional learning support through assessment of learning needs and to provide related information and guidance on employment opportunities, higher education and entrepreneurship.
- To bridge the gaps in the student skill set through necessary bridge courses and orientation programs.
- To provide orientation on Universal Human Values through necessary courses on physical fitness, stress management, yoga and sports.
- To extend support through mentoring and counseling.
- To introduce them to the local environment through local visits and interaction.

**The Practice:** Aurora is always keen about bringing together bright and young minds into an congenial academic environment that ensures maximum student development through designated systems and processes, that let them learn, enhance and grow into accomplished professionals with high intellect and morals. When new students enter an institution, they come from variety of backgrounds with diverse learning experiences, thoughts, backgrounds and preparations. It is important to help them adjust to the new environment and inculcate in them the ethos of the institution with a sense of larger purpose. A one week induction program for MBA and MCA Students entering the institution has been in practice at Aurora from the past three years. The Program mainly focuses on making the students feel comfortable in their new environment. It encourages the students to get to know each other and to become acquainted with the institution, staff, facilities and services. The one week induction program commences with a diagnostic test that estimates the knowledge levels and provides them with the mentor support for further activities of the program as well as for supporting all future needs of the students. The list of activities included in the induction program are Bridge courses that bridge the skill gaps of the students, Physical Activities like sports, yoga and exercises, Creative Arts like painting, carving, performing arts like dance, music, drama etc., Training on Universal Human Values, Interaction with eminent

people through lectures and interactive sessions, workshops and training programs on relevant areas, visits to local areas and extracurricular and extension activities through NSS and other student clubs. Feedback from the participants and facilitators is obtained and corrective measures is implemented accordingly. Report on the activity is prepared and displayed in the website and published in the newsletter also for information to all the stakeholders. Evidence of Success: The induction program that has been in practice from the last few years is found to have note worthy impact on students. The students got easy acquaintance with the system and are able to adopt themselves quickly with the environment. The bridge courses are of much help and student mentoring is appreciated by the student and parent communities. The students are able to showcase their talents through sessions in creative arts and other extracurricular programs organized during the program. Problems encountered: Implementing the modules for the large strength of students of the institution with point to point time schedule has become a practical problem. Inviting eminent experts from industry and other fields of activity is also another problem that was encountered while implementing the week long induction program. Title: Transformational Change through Unnat Bharat Abhiyan The Context Service-Learning plays an important role in students' self-development. The community-based learning combines traditional classroom instruction with community-service to enhance the learning of the students and civic participation. Community improvement and engagement connects academic program with community service so that students, faculty and community partners can forge linkage between theory and practice, between knowledge and action and between the resources of institution and the community development. Aurora aims to explore students' potentials, to encourage them to apply their professional expertise, and to nurture them as the future leaders for the community. . It focuses on the integration of the curriculum learning and voluntary service, encourages the students to develop their leadership potentials during such learning, servicing, retrospection, and sharing, helps them to understand their individual uniqueness and their own development direction and ideals. The Ministry of Human Resource Development (MHRD) has launched a programme called Unnat Bharat Abhiyan to create a virtuous cycle between society and an inclusive academic system by providing knowledge and practices for emerging professions and to upgrade the capabilities of both the public and the private sectors in responding to the development needs of rural India. The Village Adoption Project under Unnat Bharat Abhiyan is a very good example of such Service-Learning. Objectives • To identify and solve the various problems of the village • To inform villagers about various government schemes and make awareness among them to apply for it. • To develop intellectual awareness and value of education among school children of the village. • To create good relationship between college and adopted villagers. The Practice Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an inclusive India. The mission is conceptualized as a movement to enable processes that connect institutes of higher education with local communities to address the development challenges of rural India through participatory processes and appropriate technologies for accelerating sustainable growth. To implement UBA, Aurora's PG College (MCA) has taken initiatives to spread the message of various government schemes. Unnat Bharat Abhiyan Cell has been formed for implementation of 'Unnat Bharat Abhiyan' with Faculty and Students as coordinators. To undertake the Unnat Bharat Abhiyan, Aurora PG College (MCA) have adopted 5 villages in consultation with the district administration of Medchal under the Unnat Bharat Abhiyan. To undertake Village Survey and Household Survey as per the guidelines of Unnat Bharat Abhiyan a visit to Edulabad village was carried by the UBA volunteers who interacted with the village council members. Gram Panchayat representative, Mr. Kaleru Suresh provided the data about village and issues faced by the

residents. The UBA volunteers of the institution were divided into 30 groups for conducting the house hold survey. As a part of Swachhata Hi Sewa- plastic-free-village campaign the distribution of cloth bags to each household and collection of all plastic bags that are being used by them is carried out at the village. Plants distribution camp was organized by the students in the adopted villages. The following activities performed in the adopted villages • Swachhata Hi Sewa- plastic-free-village campaign. • Tree Plantation: With the help villagers college students planted the plants and samplings in the village. • Utility and Sanitation: College with the help of NSS unit created awareness of utility and sanitation among the villagers. • Awareness of the Villagers: College faculty delivered speeches for the awareness of the villagers. • Village Survey: Students of the college completed the survey of the adopted village. Evidence of Success: The Students have satisfaction beyond any scale that they are able to serve the people of adopted village to the extent possible. The impact of all above activities is remarkable. Problems encountered: Efforts are required to involve concerned Departments/agencies, besides other social organizations/NGOs. Unanticipated changes in the academic almanac cause delay in conducting the service activities as per the preplanned schedule.

Upload details of two best practices successfully implemented by the institution as per NAAC format in your institution website, provide the link

<http://www.apgcr.edu.in/naac-best-practices.html>

### 7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

The Institution ensures high standards of excellence in Management and Computer Education. The college follows unique methodologies of Teaching Learning and student development. Curriculum Analysis is done before the beginning of each semester to identify the gap between the curriculum and the industry needs for employing graduates. To achieve its vision the institution has gradually shifted from traditional method of teaching to student centric method. There are well defined guidelines for every activity organized in the campus. In addition to the regular class teaching, the college has introduced Interactive Teaching Learning Methodology through Case studies, Group discussions, Debates, Student Seminars, Role-plays and Quizzes. Students are provided with a comprehensive Academic Manual in the form of Student Hand Book for every semester of instruction that contains Academic calendar, detailed session plans for all the courses along with student activity schedules for ITL. The College also lays adequate emphasis on academics with a strong foothold in extra-curricular and co-curricular activities such as Extension Lectures, Management Meets, IT Meets, Industry Analysis, Case Discussions, Personality Development Sessions, CRT Programs, Celebration of Festivals, Annual Days, etc., for the all-round grooming of the students. The institute has established strong linkages with industry to enable regular interaction with industry experts through Guest Lectures and have Memorandum of Understanding (MoU) with Hyderabad Management Association, National Small Industries Corporation, Confederation of Women Entrepreneurs, Harrison Assessment International Limited and many others. It has a strong Alumni Association and student chapters of different professional bodies. The institution provides congenial academic environment. The College is always successful in accomplishment of educational goals with constant efforts in developing the all-round personality of students. With the tremendous training they get in the institution, the students excel in every field of activity they enter into. The performance of our students in the University Examinations indicates the academic excellence. Over the past few years, our students are continuously bagging a couple of

University Ranks in the Top 20 Ranks of Osmania University Examinations both in MBA and MCA Courses. The pass percentage of our students is always more than 95 and this year it is remarkable achievement at 99.4. Last year, the College has made a mark, with students of MBA and MCA bagging 7 University ranks. The College has secured 4th rank in MBA, and 2nd, 6th, 15th, 17th and 19th ranks in MCA at University level in 2017. This year the college has secured 2 ranks in both MCA and MBA streams in top 25 ranks, including 5th and 12th ranks in MCA and 7th and 23rd ranks in MBA. Our students have done us proud by winning laurels by bagging University ranks.

### **8.Future Plans of Actions for Next Academic Year**

1. To obtain the status of 2(f) and 12(B) from University Grant Commission to become eligible for research assistance and funding support for the students and faculty of the institution.
2. To apply for autonomous status which enables the institution to design innovative curricula and supplement the needs of the industry. This will also help for the betterment of student development.
3. To get the ISO Certification in the forthcoming 2 years of time.
4. To organize more national and international conferences and seminars in Management and Technology areas.
5. To recruit more experienced and qualified faculty from diverse specializations to cater to the needs of the students coming from various academic and cultural backgrounds.
6. Encourage the faculty to contribute more number of research publications in high indexed journals and initiate more number of research and consultancy projects through government and non government funding agencies.
7. To adopt innovative evaluation practices and examination reforms suggested by AICTE and UGC in order to maintain a robust evaluation system with utmost transparency.
8. To maintain state of the art infrastructural facilities necessary for the smooth functioning of academics, administrative and auxiliary activities of the institution with good amenities and also to provide more sports facilities for the students.
9. To improve the employability skills of the students by providing more training programs, extending support for higher education, support for entrepreneurship through incubation and entrepreneurship orientation programs.
10. To extend more autonomy to the heads of the departments and administrators by providing fund to organize various activities for the benefit of stakeholders.
11. To increase the number of activities in the adopted villages through 'Unnath Bharath Abhiyan' and contributing to the social and economic betterment of the adopted villages.
12. To improve and sustain quality in the functioning of the institution in all the areas.
13. To collect feedback from the stakeholders and adopt corrective mechanism regularly.
